

# STAY SAFE @ REPUBLIC PLAZA

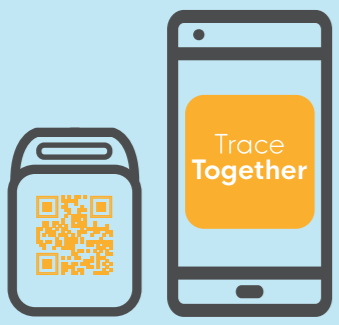

## BUILDING PRECAUTIONS

### Innovative technologies

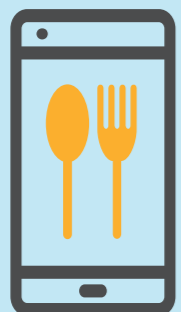

- PhotoPlasma Air Disinfection System
- Anti-microbial Disinfectant Coating on lift buttons and lift handrails
- Autonomous Cleaning Robots

### TraceTogether-only SafeEntry Visitor Management System

### Safe distancing measures

### Contactless ordering and payment for F&B via CityNexus mobile app (for Republic Plaza office community)

### Availability of hand sanitisers

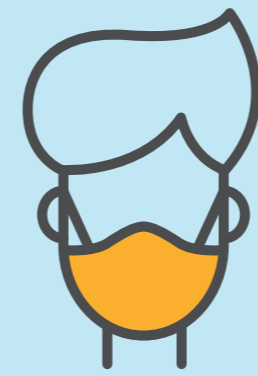

### Increased facility sanitisation and enhanced building ventilation

### Monitoring of building management, frontline staff and contractors

## INDIVIDUAL PRECAUTIONS

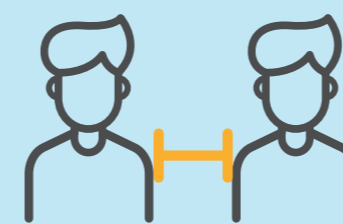

### Keep mask on and remove only when eating and/or drinking

### Stagger lunch breaks and avoid peak hours

### Wash hands with soap frequently

### Maintain safe distancing

### Avoid crowding

### See doctor if unwell

### Comply with Quarantine Orders or Stay-Home Notices

**Together, we stand united against COVID-19**
